YOUR PromoWalls display

PromoWalls frames are manufactured to accommodate the size of your existing graphics

You do not need to have purchased your graphics from Shell-Clad to use a PromoWalls frame

All we need are mm perfect dimension of your graphics and the format required for your display

Frames can be configured in a number of formats including straight  or L shaped, or  shaped or even Y shaped

PromoWalls at glance

- Easy to extend - both width and height
- Frames are two sided so you effectively get two display spaces from one single footprint
- PromoWalls can accommodate any solid board graphic (pvc, foamex, foamboard, ply, MDF, slatwall etc), rollable graphics (Magiclad/rollable correx, banner drop) and Fabriclad (velcro'd fabric)
- Can be accessorised with flat screens, spotlights, iPad holders, shelving, literature racks, goodie bag holders and much more

**MAKE YOUR SHOW GRAPHICS REALLY WORK FOR YOU.
24/7 X 365 DAYS A YEAR!**
