

Shell-Clad Graphic Display Unit

PRECISION ENGINEERED CONTEMPORARY DESIGN COMBINED WITH FUNCTION

Manufactured in anodised aluminium, this display system features high impact (interchangeable) fabric graphics and four 10mm toughened glass shelves. Nominate your required shelf spacing to suit the products you are displaying. One sided as standard, but can be supplied two sided if required.

- Supplied complete with up to four toughened glass shelves
- Shelf heights as requested
- Your design beautifully printed on fabric
- Interchangeable graphics; one side or two sided
- Accessorise with an iPad stand, leaflet holder and LED spotlight
- Locate in your reception for the WOW! factor
- Equally at home in boardrooms and the CEO's office

Can I build it myself?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Can you install it for me?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Can I buy it outright?	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Can I hire it?	<input type="checkbox"/>	<input checked="" type="checkbox"/>
